Quarterly Cashflow Report & Business Update – Period ending 31 December 2023

Regeneus Ltd (ASX: RGS) (Regeneus or the Company), a clinical-stage regenerative medicine company, today released its quarterly cash flow report and business update for the period ending 31 December 2023 (the quarter).

Strategic transaction

Regeneus has signed a non-binding indicative offer letter to merge with Cambium Medical Technologies, LLC (CMT). CMT is a United States-based, clinical-stage regenerative medicine company developing a Phase 3-ready biologic therapeutic, Elate Ocular®, to treat dry eye disease. Please refer to the ASX announcement on 28 April 2023 for more details about the proposed transaction.

Regeneus successfully negotiated a draft execution version of the merger agreement on 31 January 2024. The Company expects to sign the merger agreement in early February and hold an Extraordinary General Meeting (EGM) in mid-March.

Update on Elate Ocular®

CMT management held a Type C meeting with the Food and Drug Administration (FDA) on 16 January 2024. FDA provided its written responses regarding potency assay development and comparability studies for Elate Ocular® drug given the pathogen inactivation steps to be implemented in the drug manufacturing process. CMT management is assessing the FDA's written responses and reviewing the Elate Ocular® development plan. Regeneus believes it to be unlikely that Phase 3 studies can be initiated in 2024, as originally disclosed in the Shareholder Update Presentation on 28 September 2023.

Settlement of Paddington St Finance loan facility

Regeneus has reached an agreement to settle the \$2.0 million outstanding loan and interest payable to Paddington St Finance in exchange for the transfer from Regeneus to Paddington St Finance of 700,000 shares in Sangui Bio Pty Ltd (**Sangui Bio**) and payment of \$400,000 in cash. Further details are available in the 28 February 2023 ASX announcement.

The Company settled the outstanding loan and interest payable after the approval by shareholders was obtained at the AGM 2023 on 30 November 2023.

Financial update

Regeneus had \$27k in cash as of 31 December 2023. The Company is in discussions to obtain additional funding from existing CMT shareholder(s) and other potential investors. The financing due diligence process is ongoing.
